FROM THE MANAGER’S DESK

There have been several homes and cars broken into recently as well as bike theft. Thief entered through unlocked doors! KEEP DOORS LOCKED AND BIKES SECURED.

Our part-time residents will begin their exit from Florida during the next couple of months. This winter season is passing by so quickly!

A few reminders for those departing:
-Complete a departure form available from the Business Office.
-Make contact with your lawn care provider to ensure uninterrupted lawn service.
-Remove all outside items.
-Complete any needed maintenance to the outside of your home/lot prior to your departure, i.e. pressure wash, paint trim bushes, weed flowerbeds, mow, etc.
-Turn water off at the house valve and at the hot water heater or contact the City of Melbourne Utilities Department to turn off water at the meter (321-953-6390); whichever method is best for you.
-The newsletter can be viewed on our website at www.tropicalhavenmelbourne.com.

Reminder for Leaders of Activity Groups:
You MUST let Melissa know the date your activity will end for the season. Also, when you plan to start up again in the Fall, you MUST let Melissa know the date and complete an Activity Form. No exceptions. It is the responsibility of each group leader to take these necessary steps. We thank you in advance for your cooperation.

Please join us on Wednesday, March 11 at 10:30 a.m. for a presentation on “Stroke Prevention” given by Karen Smith, Nurse Liaison of Sea Pines Rehabilitation Hospital. Refreshments will be served. Hope you can attend!

The Melbourne Air & Space Show will be held at the Melbourne International Airport March 21 and 22, featuring the U. S. Navy Blue Angels. For tickets and information, please visit airandspaceshow.com.

The March flea market will be held on Saturday, March 14 from 8:00 a.m. to 12:00 p.m. Breakfast will be available, as well as a bake sale. This event is a good money maker for your HOA, so plan on attending and buying!! Someone else’s “trash” may become your “treasure”!

2015-2016 DIRECTORIES ARE HERE. PICK A COPY UP AT THE NEXT HOA MEETING.

Thanks to the Activities Committee & HOA for the 50th Anniversary celebration. Maureen Mountain and JoAnn Swain set all of the tables so pretty. Marie Dittrich read their love stories and Carl Arquette and Dwight Tibbetts did a beautiful job with the music. We are lucky to have such wonderful people in our park. Thank you Noah Hubbard & Dave MacDonald for the pictures. They were greatly appreciated!

President's Message

Why not just ROLL OUT THE RED CARPET to the crooks? That is what is happening every time you leave a bicycle laying around, or leave your car unlocked, or your house.

Have you heard about the robberies in Tropical Haven? It is a shame. They aren't breaking locks, or prying open windows. They are just walking through unlocked doors. They walk through our Park, trying car doors, turning door knobs, or something left lying around. And we are letting them do it!

The police patrol three times each day, but they can't do it all. So, what is the answer? The answer lives next door...Neighbors looking out for neighbors. One crime was averted because the next door neighbor thought something didn't look right, and ask the fellow what he was doing! The result, he too off, but not before a license number was gotten and a good look at him. He was later identified in a picture lineup, and will be prosecuted. Neighbors helping neighbors! A phone call to the police can be effective, and only takes a moment. The police don't mind coming to check out something you might think looks suspicious.

Also, you can help protect yourself...Don't leave bikes lying around. Lock them up. Be sure your sheds have a good lock on them, your house too. A dead bolt is best, but hard to install on Trailer doors. An inside chain lock helps when your sleeping. And lastly, consider an outside light with a motion detector. Intruders wants to work in the dark, not stand in a lighted area. These items are reasonably inexpensive. If you need some advice on what to get, where to get it, or help installing it, I have some neighbors that will help you, if you let me know.

a) lock it up  b) Don't leave it lying around  c) Light area up

Plains of Black Kryptonite (Krypy)

We are Barbara & Krypy, new to Tropical Haven (1124 Sleepy Hollow) & wanted to introduce ourselves to our new neighbors! A few may have already met us, for those who haven't, Krypy is my service dog & registered with the United States Service Dog Registry. He is very popular & very well known in Melbourne from restaurants, stores, bus depots, airports, to Police & Fire Depots. The comments we receive most, besides his handsomeness, is his size. In actuality he is the smallest Bullmastiff I've ever owned, & was the runt of his litter. I am a very independent amputee, solely due to my my partner, Krypy. There are many types of service dogs, vital to their owners, but often misunderstood by the public. Krypy is extremely well trained, he assist me primarily in weight & balance. As I walk I lean on his shoulders for balance, if I become unsteady he leans into me to stabilize me & if on the floor, he gets me up!

Bullmastiff's were originally cross bred with the English Mastiff (~200 lbs) & the Bulldog to protect the castles in England from poachers. Remarkably its innate for them to protect without verbal commands needed; however, they don't bite. They'll first go into Guard where they stare down the suspect, which the majority of people at that point stop moving forward, so don't challenge them. If they do, they immediately go into Protect, using their body weight on the persons shoulders to knock them down & will literally "hold" until given the ok. Big boned & very intelligent which is why it's my preferred breed for a weight/balance service animal. No worries though as animals have better judgement of character than we humans & he just loves everyone that doesn't threaten Mom! Since I doubt anyone wants to hurt me, he welcomes all.

People remember his name over mine, & he greets all with a wag of that powerful tail! So if you see us out & about, by all means step up & introduce yourself & give a pet. We look forward to meeting you all.

Regards,
Barbara & Krypy

SOCIAL SINGLES

Here it is March already. Time flies when you don't have to stay indoors or go out just to shovel snow. We had 26 people at our lunch at The Cracker Barrel. Everyone seemed to enjoy it.

We will be going to The New England Seafood on A1A toward Sebastian on March 10th. Everyone enjoys it and they have great food. We will meet at the shuffleboard court at 1:00 pm.

On March 24th we will be going to Woody's Bar-B-Que on 192 behind Popeyes. Again we will meet at the shuffleboard court at 1:00 pm.

If any of you single guys and gals are interested in getting out with a great group of people please contact Pat Shaw at 419-340-1587. We look forward to getting together with you.
Ways to avoid Purse Snatchings:

1) Leave your purse at home. Carry necessary items (ID and money) in a wallet, tucked safely in your pocket. If you don't have pockets and/or there are additional items you prefer to carry, such as makeup, keys, and a phone, consider putting them in a bag that wraps around your stomach and can be hidden from view, or a backpack strapped around both shoulders so that it can't easily be snatched.

2) Bring only what you need. Don't carry any more cash or credit cards than you absolutely need to do your shopping that day. Usually, one credit card is enough, and you should have the customer service number written down somewhere so that you can report the card stolen immediately if your purse is snatched. Decide even before leaving the house whether the contents of your purse are worth getting hurt for.

3) Walk in busy, well-lit areas. You may think that you're exposing yourself to more purse snatchers, but they are more likely to strike in dark, isolated areas because they don't want to get caught. Walk briskly and confidently. Bring a friend.

4) Be aware of the area and the people, especially if you find yourself having to walk in an isolated or lightly populated area. Look at the person who might approach or pass you. Do not look away. Look directly at their hands or at what they might be carrying. They prefer to strike and run, and not be recognized. If you do not appear to be vulnerable and will be able to give their description, they just might keep walking past you.

5) Hold your purse tightly and close to your body, whether on a bus, train, or walking. If possible, wear it underneath a coat or jacket. Also, secure the latch or zipper. You might be tempted to wear your purse diagonally on your body (over the neck as well as the shoulder) or loop the strap around your wrist to prevent the purse from being easily snatched, but keep in mind that if someone does try to steal your purse, a hard yank on a tightly wound purse strap can cause injury.

6) If you believe someone is following you don't turn around, use a shiny object like a car mirror or window to look back.

7) Shorten the strap on your purse so you can carry it tightly between your elbow and body.

8) Remember that you come before your purse. If someone pulls it away from your hands or your shoulder, let it go! It is more important to avoid injury than save a purse. Never fight to keep it.

9) Report anything or anyone suspicious. If you suspect that someone seems to be lurking someplace that they do not belong, contact security if you are in a mall, or contact the manager if you are in a supermarket. Better to report your suspicions and be wrong, than to ignore it and be robbed or hurt.

LEAGUE PLAY GALA WILL BE MARCH 18TH AT 1:00 P.M. AT TROPICAL HAVEN PAVILION.
Information provided by Melbourne Police Department

Crime Prevention: Shared on 2/5/2015 on our Twitter & Facebook pages

During the week of 1/30/2015 - 2/2/2015, we noticed a spree of spare tires stolen off the rear of Jeep styled vehicles. There were a total of 5 reported incidents where the rear spare tire was removed from vehicles. The incidents occurred across the City and occurred during both daytime and night-time hours.

Detective Higgins noted that a commonality in each theft case was the absence of a "Locking Lug Nut" to secure the spare tire on Jeep styled vehicles. The cost to replace a full-size Jeep styled spare tire is expensive in comparison to purchasing a "Locking Lug Nut". A "Locking Lug Nut" is also valuable in deterring thefts of this type. Higgins was able to identify each victim and recovered their stolen spare tires from a local pawn shop.

Most thieves are 'opportunistic'. Statistics show that most crimes are primarily "crimes of opportunity". Criminals often target unlocked cars, open garage doors and unlocked homes because of the ease of entry and removal of hand carried items. Most thefts from cars and neighborhood burglaries happen when victims do not properly secure their property.

Remember: 'Lock it Up':
- Secure your home and vehicles...lock your doors
- Don’t Leave Valuable in Plain View
- Park in Well Lighted Areas
- Don’t Leave Your Car Running

Everyone is encouraged to help make our community stronger by reporting suspicious activity to your local Police Department. Our 24/7 number is (921) 608-MPD01(6731) or dial 911 for emergency services.

"If you See Something; Say Something", it’s just that simple!

There have been several break ins in the park recently through unlocked doors. Reminder to keep all doors locked, including car doors.
